

# PRODUCT END OF LIFE ANNOUNCEMENT

iBubble

**March 4, 2025**

Dear Customer,

As part of a continuous improvement, Delair product life cycle follows a precise process to optimize each component of the product and align it with major market requirements. The evolution of the products is shared with you periodically.

This letter serves as your formal notification that Delair is initiating the End of Life process for the following products. The key milestones and affected parts are listed in this letter. The purpose of this notice is to allow for appropriate planning and the opportunity for last time purchases, as well as to suggest alternative products.

Product	End of Life Announcement Date	Last Order Date	End of Support* Date	Alternative Product
iBubble	March 4, 2025	iBubble : March 4, 2025  Spare parts* : April 4, 2025  <i>*subject to availability</i>	May 30, 2025  <i>*repairs subject to spare parts availability</i>  <i>*the app is no longer available on iOS</i>	Seasam Product line

- End-of-Life (EOL) Announcement Date: Date of the start of the process that begins with a letter broadcasted through support’s media and sums up the milestones
- Last Order Date for the product: Date after which it is not possible to buy this product
- Product’s end of support Date: Date after which a product is not supported anymore, meaning that Delair Support Team will not guarantee assistance nor exchange, nor repair.

If you have any questions or for assistance selecting alternative products, please contact Delair Support Team through [support-marine@delair.aero](mailto:support-marine@delair.aero).
